MYSTERY CHEF

The mystery chef event was held in January and it was another successful event. Chefs Rob & Kat Zeglen with their son, Rhett, and Grandma prepared a soup and salad bar. Following the Diner Theme they created a hot beef sundae for everyone followed by homemade pies! If you didn't attend this one, be sure to check our future newsletters for the next Mystery Chef and sign up early. If you know of anyone who would like to be our mystery chef or if you would like to be one, please contact Kim at the club.

SOME OBSERVATIONS ABOUT GOLF

Golf can best be described as an endless series of tragedies obscured by the occasional miracle, followed by a good bottle of beer.

Golf! You hit down to make the ball go up. You swing left and the ball goes right. The lowest score wins. And on top of that, the winner buys the drinks.

Golf is harder than baseball. In golf, you have to play your foul balls.

Golfers who try to make everything perfect before taking the shot rarely make a perfect shot.

A "gimme" can best be defined as an agreement between two golfers . . .neither of whom can putt very well.

Golf's a hard game to figure. One day you'll go out and slice it and shank it, hit into all the traps and miss every green. The next day you go out and for no reason at all you really stink.
